DAY 1 ISCHIA & PROCIDA
Embark from Naples or Sorrento and set sail for a journey of a lifetime. Explore **Ischia**, the largest island in the bay of Naples, a treasure trove of surprises and mythical places: legend has it that Ulysses landed at Scheria lido and the Pietra della Nave is a testimony to that. Savour a delicious meal in a traditional restaurant in quaint Borgo Sant'Angelo and explore this fabulous volcanic island, replete with lush gardens, a fort-city on its own islet and charming grottoes. Set between the Italian city of Naples and the island of Ischia, the tiny island of **Procida** packs a lot into its mere 1.5 square miles. Procida is one of Italy's best kept secrets. On this tiny island you'll find pastel-coloured fishing villages, black sand beaches, and a maze of narrow winding streets. The colorful island has been named Italy's Capital of Culture for 2022 and it is ideal for those who want to relax and get to know this sleepy Italian island.
