TRIESTE

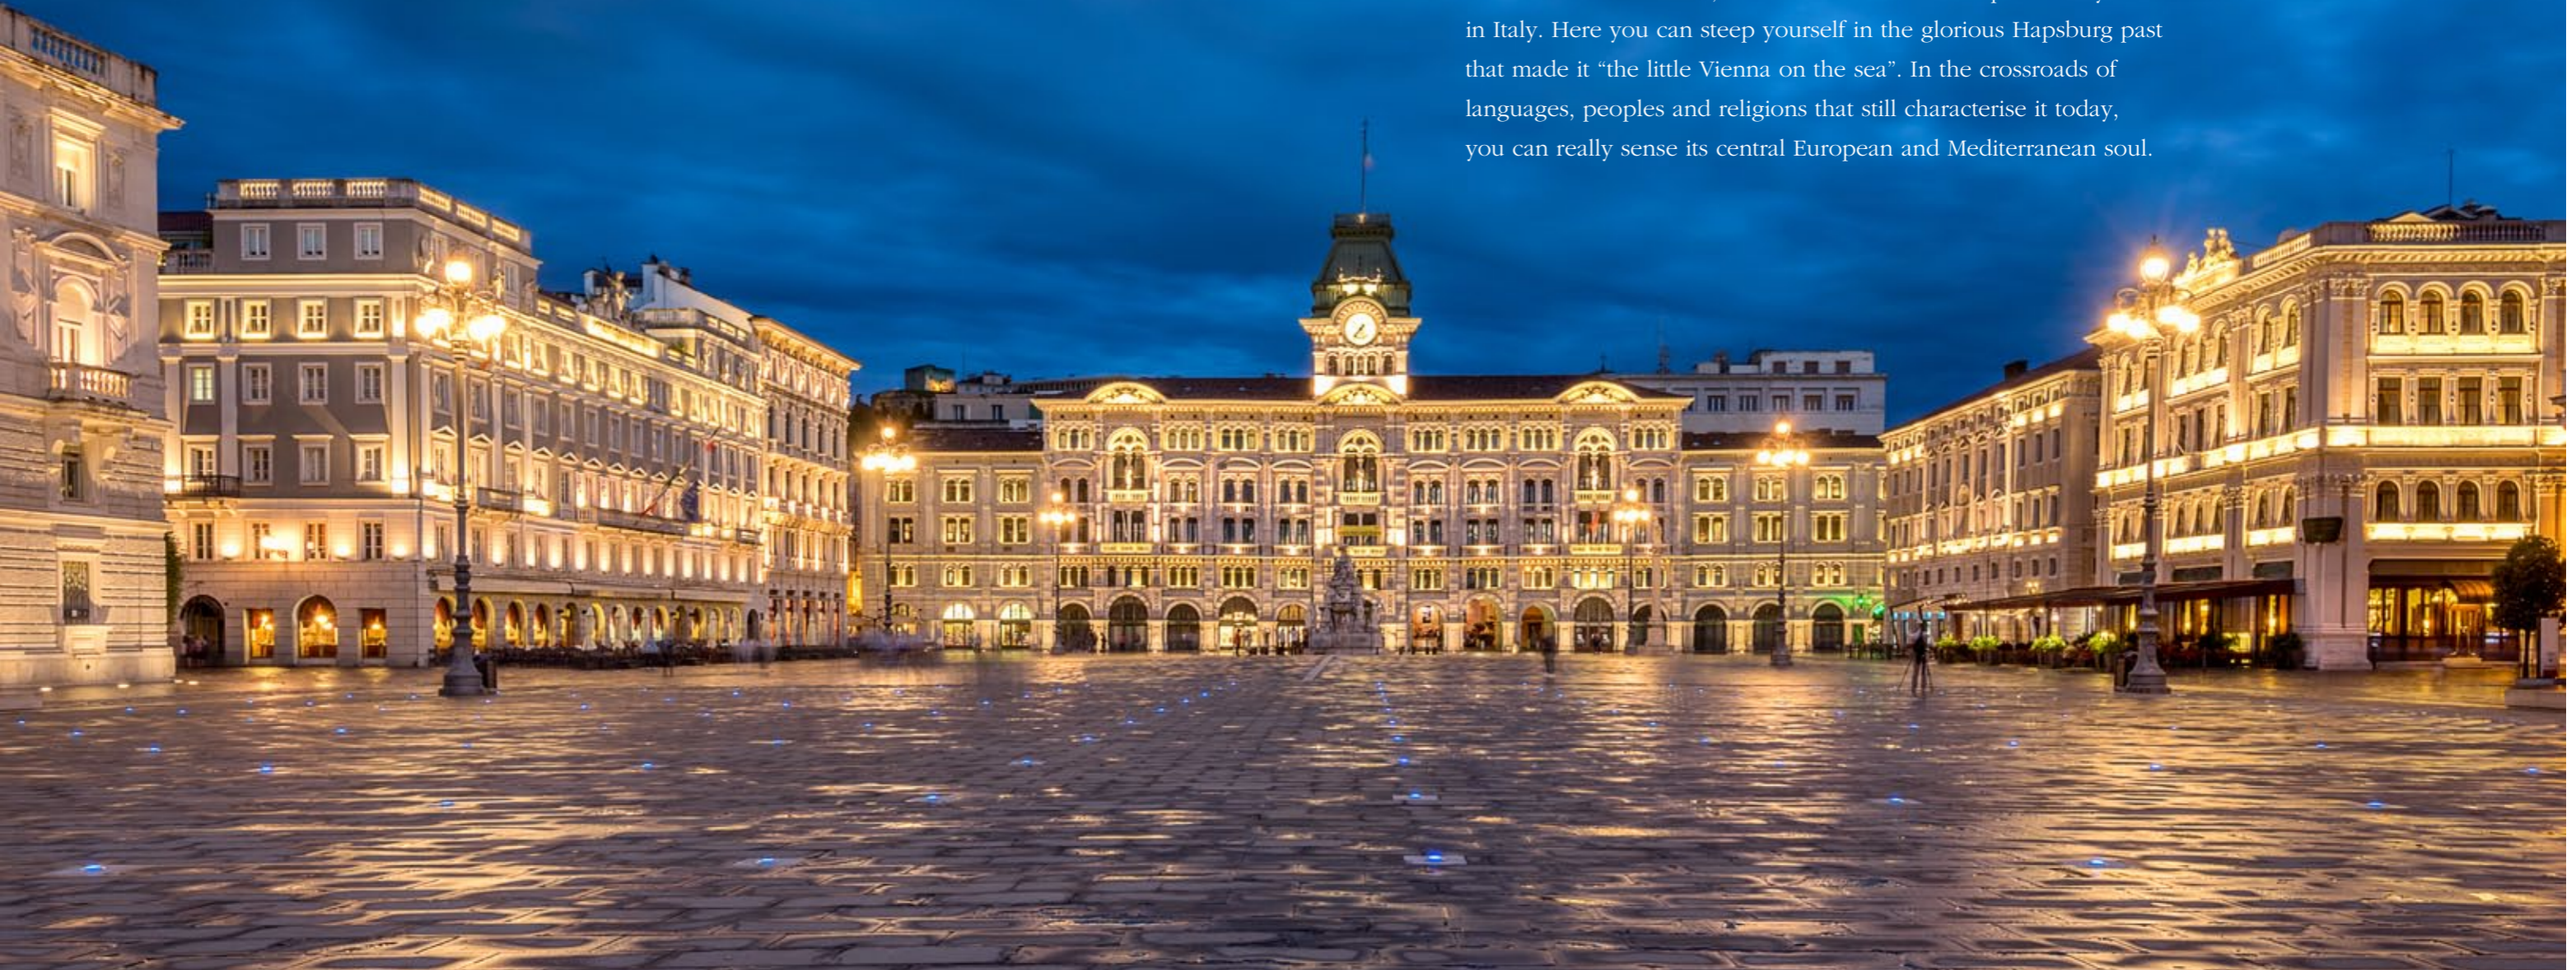

TRIESTE

THE ETERNAL *charm*

OF CENTRAL EUROPE

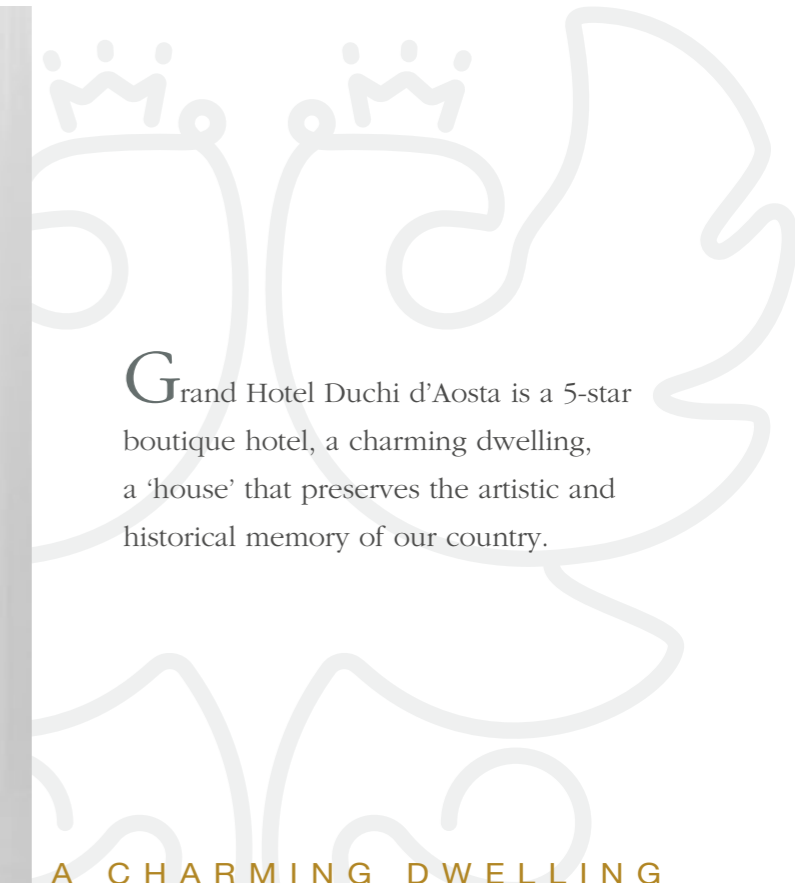

Beautiful and erudite, Trieste is the most cosmopolitan city in Italy. Here you can steep yourself in the glorious Hapsburg past that made it “the little Vienna on the sea”. In the crossroads of languages, peoples and religions that still characterise it today, you can really sense its central European and Mediterranean soul.

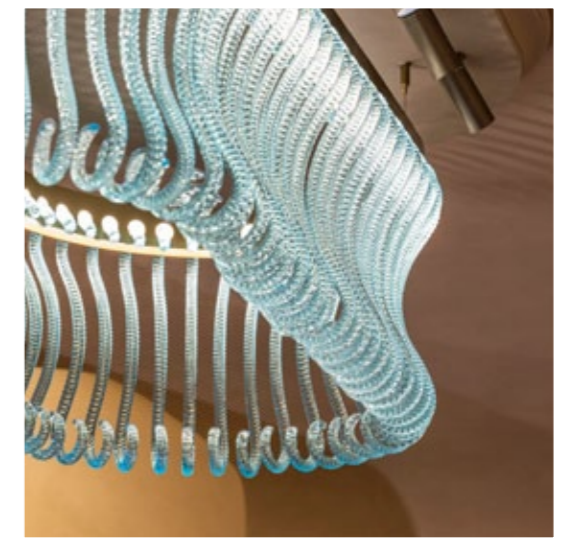

ELEGANCE AND TRADITION

In the very centrally located Piazza Unità d'Italia, one of the most beautiful spots in Europe, Grand Hotel Duchi d'Aosta, together with the splendid neighbouring buildings, frames the square overlooking the sea, boasting a strategic and inspiring location where charm and style promise a moving experience.

Grand Hotel Duchi d'Aosta is a 5-star boutique hotel, a charming dwelling, a 'house' that preserves the artistic and historical memory of our country.

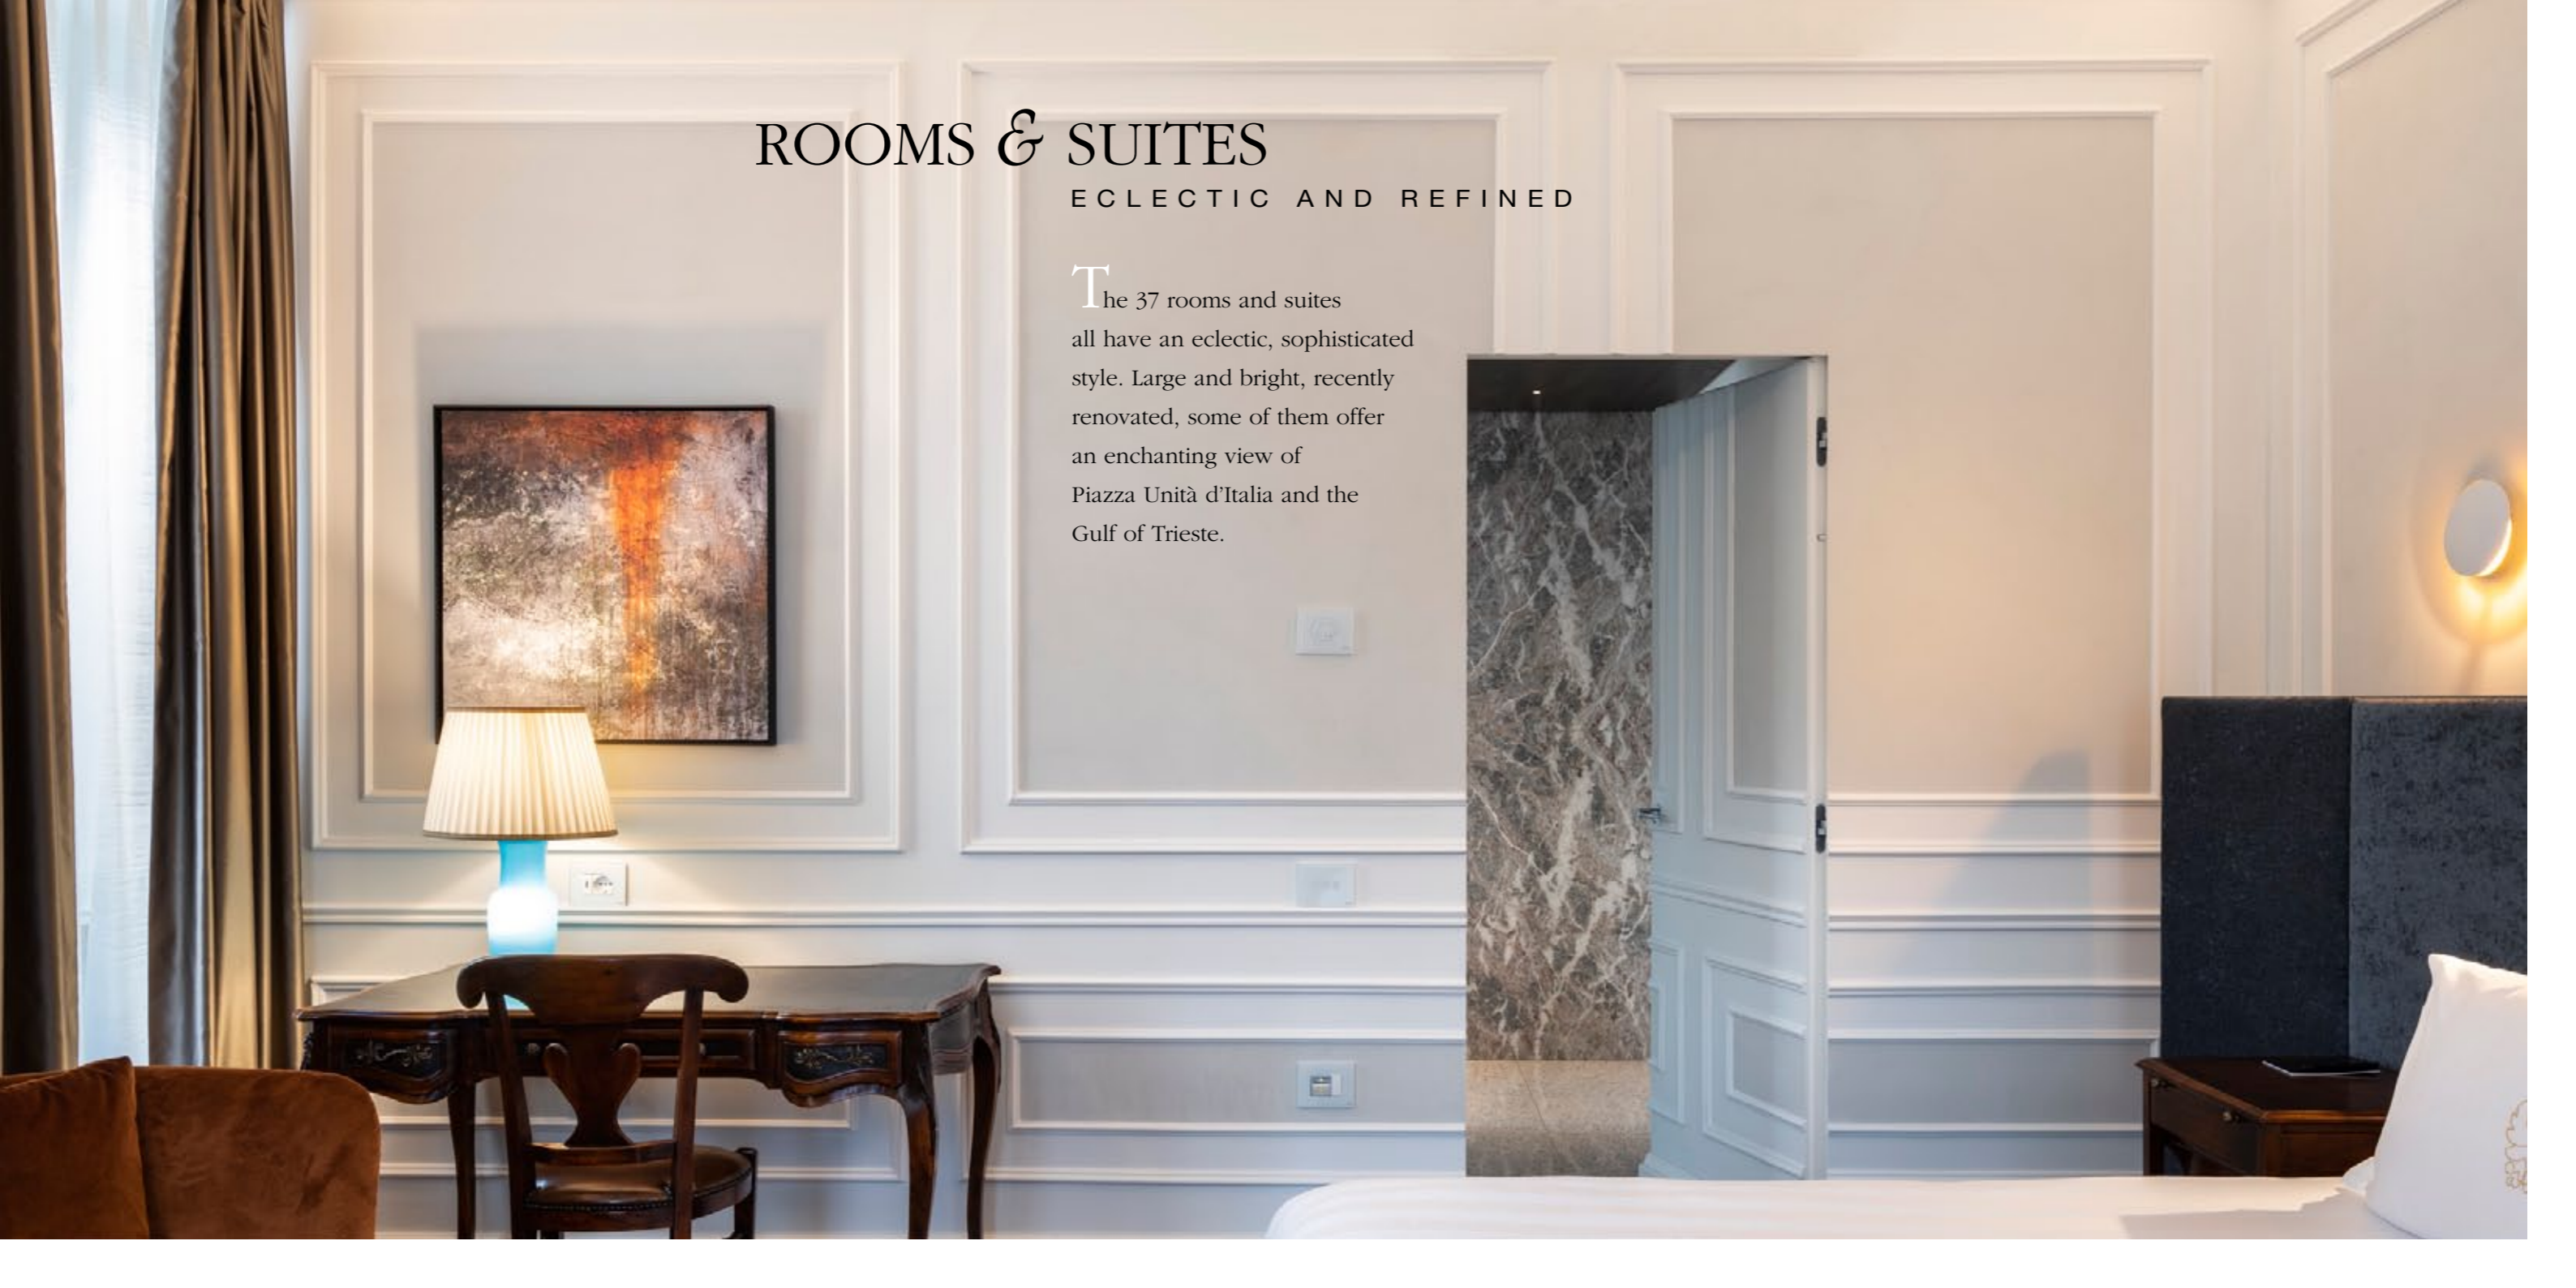

A CHARMING DWELLING

ROOMS & SUITES

ECLECTIC AND REFINED

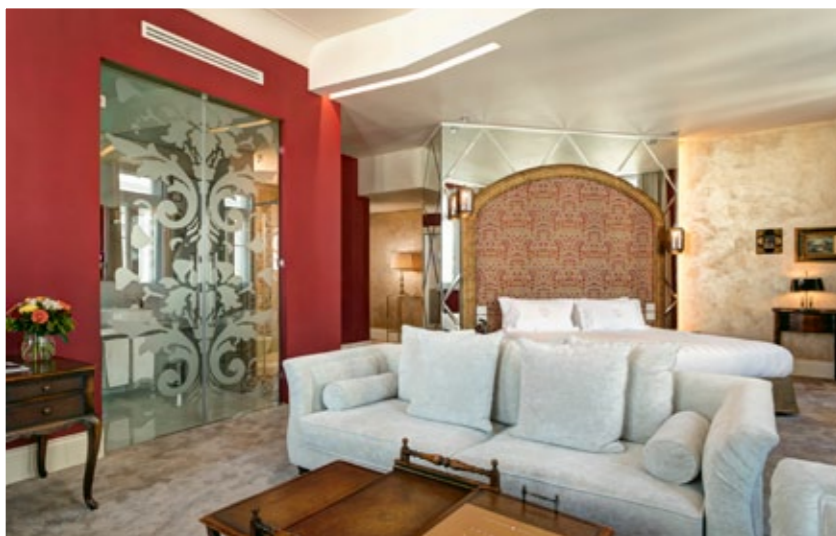

The 37 rooms and suites all have an eclectic, sophisticated style. Large and bright, recently renovated, some of them offer an enchanting view of Piazza Unità d'Italia and the Gulf of Trieste.

We pay homage to one of the most famous leading personalities of the early Twentieth Century in Trieste, James Joyce, from whom our most intriguing room takes its name.

Shades of red and gold alternate on the walls and in the furnishings of a large open space, in a triumph of Habsburg magnificence. Equipped with a spacious walk-in closet and two bathrooms covered in precious marble, with a bathtub and a large shower, it is the ideal solution for relaxing in style. Enjoy a fascinating panoramic view of Piazza dell'Unità d'Italia, with a glimpse of the sea and let yourself be pampered with delicious gourmet moments that will transform your stay into a memorable experience.

AN ENCHANTING VIEW

F all in love with the enchanting view of Piazza Unità d'Italia, the “open-air parlour” of the city. Looking out the windows of our Prestige Suites, you can enjoy a stunning show that will be hard to forget.

Personalized in style, these rooms have large open spaces and interpret the themes and textures of Central European charm, reflected in the choice of refined furnishings. Each one has a cozy living area, spacious bathrooms with large showers or bathtubs, some have double sinks and others walk-in closets.

junior SUITE

Let yourself be enchanted by the land that surrounds you. The seductive call of the sea and the Karst rough soul inspire the chromatic choice in the majority of our Junior Suites.

Some of them have a balcony and others, recently renovated, reveal precious surfaces such as wooden ceilings, Venetian terrazzo floors, concrete resins, and marble walls – Fior di Pesco Carnico, Port Laurent and Palissandro by Margraf. Precious antique furnishings preserve the historical heritage of the building.

COZY AND INTIMATE

Design and tradition coexist in our home, indulging the eclectic personality of Trieste. The Deluxe rooms, each one different from the other, invite you to discover the secrets of a city that thrives on its contradictions.

Involved, for the most part, in the recent restyling intervention by the Architect Egidio Panzera, the rooms reveal plays of light, reflections and refined materials such as the Rubelli damask fabrics.
