

SER CASASANDRA
HOTEL CON ARTE

"I founded SER Collection with the aim to provide guests with an organic space to connect with their inner self, through contact with nature and the interaction with local culture, art, and music. Apart from my former residence SER CasaSandra in Holbox Island, Mexico, SER Habiramy is set to open in Havana, Cuba in late 2018." Sandra Pérez Lozano, artist and owner of SER Collection Hotels

SER CasaSandra is my former residence that I decided to transform into a hotel that feels just like home. Located on the Mexican island of Holbox, just 20 minutes from Cancun, it has 18 rooms and suites with a modern, yet rustic style defined by handmade Mexican and Cuban interiors, along with my very own works of art. Bespoke wellbeing experiences together with tailored destination excursions allow guests to immerse themselves in the outstanding natural beauty of Holbox Island." Sandra Pérez Lozano, artist and owner of SER Collection Hotels
