# About *Claudia*

They say that knowledge and imagination are the key to one's success: the key is to combine them with the adequate expertise and savoir-faire.

I represent exceptional, family owned boutique hotels and private yachts in Italy and Holbox/ Mexico that reveal the soul of their owners: not merely time spent admiring and rejoicing in splendid surroundings, but a journey into local habits and traditions, nurtured by unique personalities and delivered with love.

I can illustrate and introduce you to the magic of all these institutions, located in some of the most astonishing areas of Italy and Mexico. Mountains reflecting in the stunning lakes in northern Italy, where painstaking attention to details emerge in a gentle, Belle Époque atmosphere; towering, imposing and simply unforgettable Dolomites will have you in awe; cypress-adorned winding roads in Umbria and Tuscany, with their exquisite culinary delights and prime wine production, will struck you. But also North African sunsets in a small Sicilian island and the proud traditions, combined with the stunning natural backdrop of Sardinia.

The pristine sands on the shores of an idyllic Mexican island will nourish your soul and lull your spirits.

Where does Claudia Da Rin Luxury Hospitality, the company I established in 2000, fit in amid all this excellence?

- More than 25 year professional experience in luxury hospitality
- An extension of the Hotel sales team
- Detail informations about destinations & Hotels
- Solving any riddle you may have relating to these areas
- The right suggestion for every customer
- Save time and have more impact
- Organization of fam trip

Working in the B2B and B2C environments, I embrace person-to-person (P2P) marketing and connect with all customers and clients on a human level.

Allegedly the greenest of the Aeolian Islands, Salina is dominated by two extinct volcanoes that make for extraordinary hiking, Monte Fossa delle Felci (962m) and Monte Porri (860m). The salt lagoon in Lingua give the island its name, but it's the extraordinary natural appeal that draws visitors to the island. Home to a nature reserve, Salina also boasts natural freshwater springs that contribute to its idyllic atmosphere.
