

## Bellagio / Lago di Como / Italy

For over 100 years, the Grand Hotel Villa Serbelloni has been one of the most well-known and prestigious hotels in the world. Set in the splendid village of Bellagio, where the blue waters meet the green mountains which soar above the lake, the Grand Hotel Villa Serbelloni enjoys a breathtaking position on the promontory which juts halfway out into the lake, separating the two branches.

Villa Serbelloni is about being a secret retreat and a romantic escape on Italy's loveliest lake and like Lake Como itself, this Grande dame has had the sense to stop the clock at its peak moment of perfection. The Hotel has been owned by the same family - Bucher - ever since 1918.
