

# TENUTA LEGARO

## Resort Fact Sheet

### 1. Overview

**Tenuta Legaro** is an private countryside resort offering an immersive experience of refined hospitality, nature, and local culture. Set within a historic estate originating from 1750, the resort combines authentic architecture, contemporary comfort, and curated experiences designed for guests seeking privacy, elegance, and a strong sense of place.

The resort is almost 9 hectares in size and has over 3,5 hectares of vineyards.

The resort is positioned as a high-end destination for leisure travelers, couples, families, and small private groups, as well as for intimate celebrations, retreats, and bespoke events.

### 3. History & Concept

Tenuta Legaro is a Luxury Resort in the heart of Puglia, which has been transformed into a private resort with the highest standards of modern luxury.

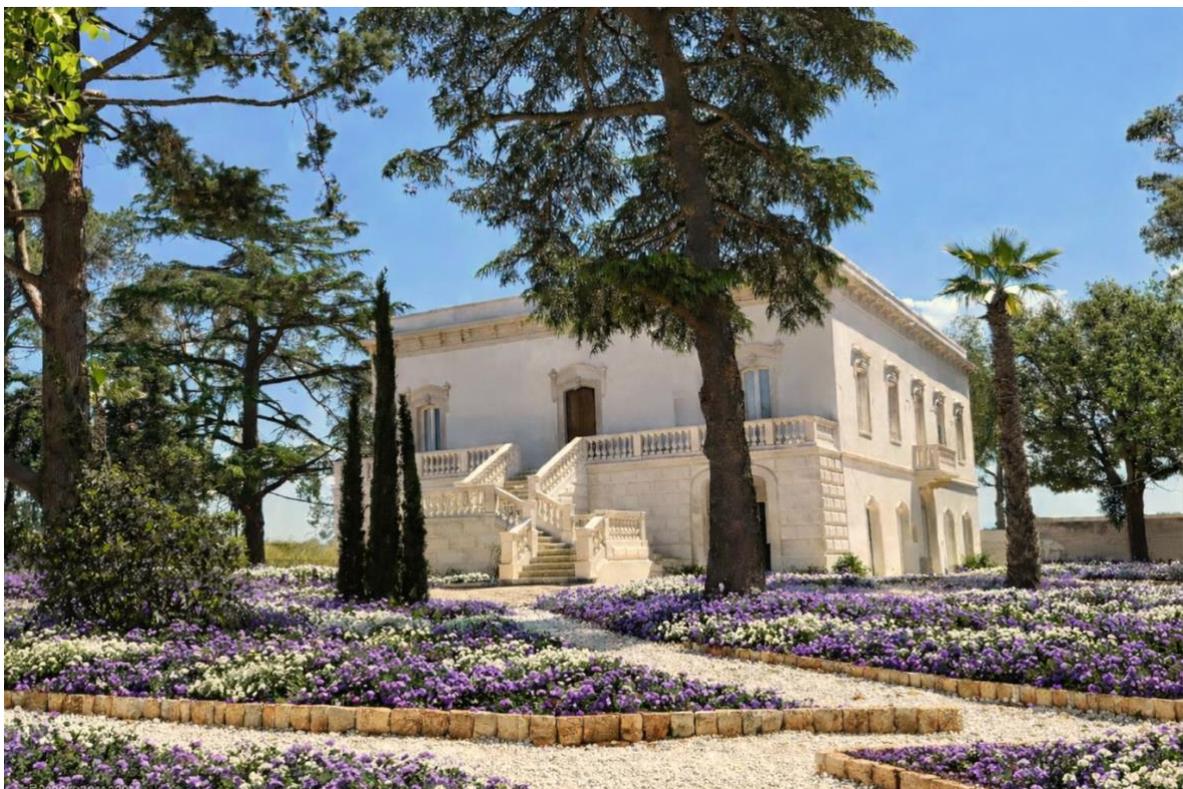

The resort was originally built by Barone Lentini in the mid 18th century and is nestled in a breathtaking valley just outside of Monopoli.

In the past five years Tenuta Legaro has been carefully and lovingly restored to create the ultimate retreat for those seeking authenticity, privacy, high-quality comfort, and a truly unforgettable experience.

The concept is rooted in:

- Respect for local heritage and craftsmanship
- A refined yet relaxed approach to luxury
- Authentic, slow-living experiences
- A strong connection to land, food, and tradition

The restoration emphasizes natural materials, warm tones, and timeless design, ensuring the resort feels both elegant and welcoming.

## 4. Accommodation

Tenuta Legaro offers **8 luxury rooms**, designed to provide privacy, comfort, and refined elegance within an exclusive private-estate setting.

### Accommodation Options:
