Experiences: Beach Clubs

Maddalena by boat

By boat in the Maddalena Archipelago, departing from Palau to discover the islands of Spargi and Santo Stefano. The tour includes lunch on the boat and swimming stops in the most suggestive Cale of the archipelago

Liscia Ruja Beach

Spiaggia Liscia Ruja is the jewel of the Costa Smeralda, famous for its charm and its crystalline waters, it stands out for its very fine sand and the aquamarine color of the sea.

Capriccioli Beach

The promontory with a lush Mediterranean scrub, protects the Capriccioli Beach, split into two smaller "twin beaches" by a rocky cliff. The sand is a white expanse of fine grains with shallow waters

Licciola Beach

Beautiful beach with a pristine rocky coast and crystal clear waters very attractive for snorkeling and diving enthusiasts. The sand is golden and very fine and the sea offers splendid turquoise colors.

Dining Delights

La Gritta

The stunning view of Palau's sea is the ideal setting for Roberto and Orsola's cuisine. The menu highlights seafood and local ingredients, with a clever use of aromatic herbs to enhance every flavor. The dishes are well-crafted, light, classically cooked, and crafted by a gentle hand. A winning combination of location and flavors.

Belvedere Restaurant

The extraordinary view of the sea of Cala di Volpe Liscia Ruja welcomes you to the Belvedere restaurant. A regional cuisine with fish specialties, seafood and also land recipes, all with the best ingredients of the Gallura area. Maximum attention to the seasonality of the raw materials and excellent national and regional wine labels complete the proposal.

Dining Delights

La Coltì Restaurant

In Gallura, immersed in the countryside a stone's throw from the Costa Smerada, a country oasis, a rustic, charming place, dedicated to organic products. You must try the selection of cheeses and the suckling pig that cooks on the grill in the beautiful outdoor patio. But even the dishes of the poor cuisine (chiusoni, mazza frissa, suppa cuata) are made to perfection.

Giagoni Restaurant

The beauty of San Pantaleo seems painted. The Giagoni restaurant is no exception, welcoming its guests in an atmosphere that prolongs the magic of the small village. In the typical Gallura stone house, overlooking the church square, Giagoni is a place to meet, hear the languages of the world spoken, taste the local cuisine with the scents of an ancient territory and drink a wine of an excellent vintage.
