Colonnata traditional lard tasting

Let's go to the village of Colonnata, famous for the preparation of lard. Matured in the white marble tanks of Carrara, it is a unique product with an intense flavor given by the aromas and an appealing softness. It is considered one of the most renowned and sought-after cured meats in Italy. True excellence is contained in its simplicity, a true jewel of Tuscany.

Terre di Confine wine tasting

This winery takes its name from its location, on the border between Tuscany and Liguria. Giulia, a talented winemaker, with courage, took over old vineyards and created their own wines: "L'intero" (the whole) red and "L'incontro" (the encounter) white. Giulia has tamed Vermentino Nero, Sangiovese, Syrah, and Barbarossa, giving us wines with a rebellious spirit, as can only be achieved between the Apuan Alps and the Tyrrhenian Sea.

Dining Delights

Il Trillo Restaurant

A special place, a few bends above Massa, just a few kilometers from Versilia. One of the most beautiful outdoor terraces in Versilia, under the lemon trees, surrounded by flowers, for a delicious candlelit dinner. Excellent food, a beautiful wine cellar, also recommended for vegans and celiacs, a lovely evening in the hills.

Il Giglio Restaurant

We are in Lucca, contemporary cuisine, linked to the territory, with French and oriental contaminations, conducted with great personality by the three founding chefs. Excellent service, attentive and informal. Cellar with a wide selection of wines and champagne. The dish of the heart: Tourte of mushrooms, morels, apricots, chestnuts, beurre blanc sauce with star anise.

Dining Delights

Osteria Fuorirotta

You can't go wrong! A yellow building like the sun in the highest part of Riomaggiore (Cinque Terre), a panoramic terrace for eating outdoors all year round, admiring the landscape from the hills to the sea. Then silence, fresh breeze and tranquility. Original dishes of sea and land that wink at the well-recognizable flavors of the local tradition

Osteria la Brocca

A dive into the past, in a rural osteria that seems to have been plucked from a fairytale. In a warm and welcoming atmosphere, Roberto's team welcomes guests with a smile and guides them on a gastronomic journey through the authentic flavors of the region. The cuisine, a blend of seafood and land, showcases the freshness of the ingredients and the chef's expertise. The wine list is carefully curated and full of surprises.
